

Valentine greetings from your room moms, Jen Benson and Mary Milano! We're busy planning the Valentine's Day party for Mrs. Hupp's class, and we need your help. The school has provided us with a list of approved food items for the food portion of the party, and we are asking each family to contribute one of those items. Half of the class provided food for Halloween, so the remaining families are now being asked to provide goodies for the Valentine's Day party. For those of you contributing goodies for the party, you can either send your items on the morning of February 9<sup>th</sup> with your child or bring them to the cafeteria by 1:30 that day.

<b>Emily Rager</b>	Juice Boxes (20 large size)
<b>Matthew Lessler</b>	Water (20 mini bottles)

**Please e-mail Mary Milano to confirm that you will be bringing your item(s).** If anyone is unable to provide what is being requested, let us know as soon as possible so we can ensure that everything is available the day of the party.

Several parents have already volunteered to help in the classroom as well as in the cafeteria during the Valentine's Day festivities. If you would like to volunteer that day, please email Mary and let her know. As a reminder, the classroom party is from 1:00-2:00 on February 9<sup>th</sup> and the cafeteria portion is from 2:00-2:25 that day.

As a reminder, younger siblings are welcome to attend the festivities; however, in accordance with school policies, you may not volunteer to help with the activities if you have a younger child with you. Also, due to the limited amount of food and craft supplies, we ask that only the first grade students participate in crafts and snacks.
